

Meetings

are More Memorable at the Sheraton Anaheim Hotel

At Sheraton you Belong.

Sure we have state-of-the-art meeting facilities, but that's not all we offer.

Meetings at the Sheraton Anaheim Hotel are so much more. Take a well-deserved break from business and stroll our famous rose garden and koi pond or after a long day of meetings, unwind at our heated pool and outdoor whirlpool. Treat your guests to an elaborate buffet or a refreshing coffee break prepared by our attentive catering team.

Let us create a custom, budget-friendly meeting or special event your guests are sure to remember. Contact one of our sales professionals today at **714.234.2424**.
